

Cannibal Feast

Tribulation

Running fiercely, useless sluts
Cutting you open, eating your guts
Vicious hunter out to kill
Pathetic scum, by dawn the will die!

Slowly I'm tearing off your face
Painful, you're dying in disgrace
Rotting, your face will melt away
Dying, you'll have nothing to say!

Arteries spilling, festered wounds
Crawling maggots, lifeless tombs
Choking on bodies, choking on flesh
Feasting slow on human trash

Running fiercely, useless sluts
Cutting you open, eating your guts
Vicious hunter out to kill
Pathetic scum, by dawn the will die!

Slowly I'm tearing off your face
Painful, you're dying in disgrace
Rotting, your face will melt away
Dying, you'll have nothing to say!
