

## The Unrelenting Choir

Tribulation

The moon is distant from the sea  
The stars no longer shine  
We embark into the unknown  
To see if anything's grown  
Either way new chapters unfold  
Yet to be told

Ominous  
Latitudeless  
Once and evermore

Prepare the soul for heresy  
Expand your inner self  
Transcend into another place  
Thine eyes impose on us
