

Zombie Holocaust

Tribulation

Bodyparts
Disappear
Vodoocult's
Spreading fear
Reanimation of the dead
Disseveration of heads, their bodies rise to rot
Cannibalistic paranoia
Vile bodyfluids pours from you

Holocaust
Zombie holocaust

Disembowel
Zombies vile
Scalping heads
Carrion bloodshed

One life ends and one extends
Things too hard to comprehend
Cadaverstorage, gruesome sight
The cannibals perform their rite
Bloodtransfusion-brought to life
Slicing thorough you with a knife
Choking on decaying flesh
Tasty bile, warm and fresh
Ripping out the eyeballs first

Bodyparts disappear
Vodoocult's spreading fear
Tearing limbs, sockets burst
