I'm riding hard in the donk
Lookin big in the donk
Gotta get it in my donk
Steady grillin in my donk
I'm riding with my top down (Top Down)
I'm just trying to put my mack down
And I'm just flossin in my heavy chevy

I'm riding hard in the donk
Lookin big in the donk
Gotta get it in my donk
Steady grillin in my donk
I'm riding with my top down (Top Down)
I'm just trying to put my mack down
And I'm just flossin in my heavy chevy

I feel like an old Seven tray impala
With no doors and no windows
With no oil no God damned water
Been riding around for over 200, 000 miles
With no tags no insurance
On some old bald head ass tires
My alignment off timing off
Shit lookin real bad
Cause I'm down to my last quarter tank of gas
Good thing the weathers in fair condition
Cause where I'm from
All year long niggas need air condition
But I ain't got none cause my compressor gone
And I keep hearing a tick tick tick ticker sound
I think one of my heads is blown
They say for 1500 I can get it rebuilt
But I ain't got a dime
I'm going through some hard times
I ain't lyin

I'm riding hard in the donk
Lookin big in the donk
Gotta get it in my donk
Steady grillin in my donk
I'm riding with my top down (Top Down)
I'm just trying to put my mack down
And I'm just flossin in my heavy chevy

I'm riding hard in the donk
Lookin big in the donk
Gotta get it in my donk
Steady grillin in my donk
I'm riding with my top down (Top Down)

I'm just trying to put my mack down
And I'm just flossin in my heavy chevy

You know shit get rough
Every year around the same time
The longer you wait the longer its gonna take for you to calm it down
And its gon take more than a check for X to pimp my ride
Ima need me a new blockbuster deal
For a nigga to live
Its gon take shady 4, 5 maybe 6 mil
I done did 6 albums nigga
This sucks real
And now you trippin
Cause my transmission ain't slippin
I ain't getting no younger
I'm damn near 50
I've been ticketed and towed
And broke down on the side of the road
Steering column been broke up
But never been sold
So this time Ima need me some insurance
I need me some medical and dental and some gangsta ass instrumentals
So I can get this shit all chromed out
Painted candy apple green
The wettest shit a nigga ever seen
If daddy dollars can't do it
God damned it must can't be done
And I must be a motherfuckin pearl shine

I'm riding hard in the donk
Lookin big in the donk
Gotta get it in my donk
Steady grillin in my donk
I'm riding with my top down (Top Down)
I'm just trying to put my mack down
And I'm just flossin in my heavy chevy

I'm riding hard in the donk
Lookin big in the donk
Gotta get it in my donk
Steady grillin in my donk
I'm riding with my top down (Top Down)
I'm just trying to put my mack down
And I'm just flossin in my heavy chevy

Ain't nothing like and ol full tank of gas
Ain't nothing like being waxed and washed
Then being valet parked
And I got rid of that old bad cough
Got me a new cam and exhaust
A nigga pushing 500 horses
And that's without the spray
Get out my way
Get out your car
This green thing
Is a motherfuckin superstar
The American Idol of the Chevy game
Trick Daddy Dollars
Don Dada
A fuckin donk rider

I'm riding hard in the donk
Lookin big in the donk

Gotta get it in my donk
Steady grillin in my donk
I'm riding with my top down (Top Down)
I'm just trying to put my mack down
And I'm just flossin in my heavy chevy

I'm riding hard in the donk
Lookin big in the donk
Gotta get it in my donk
Steady grillin in my donk
I'm riding with my top down (Top Down)
I'm just trying to put my mack down
And I'm just flossin in my heavy chevy
