

## Close Now

Tricky

Hardly sleep now  
Hardly here now  
Stare into space  
Ending this race

Don't let it get you down  
Don't let it get you down  
Don't let it get you down  
Don't let it get you down

Hold me close now  
Forsake this place  
Show me caring  
Losing my faith

Don't let it get you down  
Don't let it get you down  
Don't let it get you down  
Don't let it get you down
