

## Fly To Ceiling

Tricky

I fly to ceiling  
I hear my breathing  
We pray to Jesus  
He doesn't see us

I fly to ceiling  
I fly to ceiling  
I hear you breathing  
I hear you breathing

I reach the ceiling  
Like a human being  
I can hear you breathing  
I can hear you breathing

I'm on the move  
See from above  
I know for sure it is something good  
I know for sure it is something good

I'm on the move  
See from above  
I know for sure it is something good  
I know for sure it is something good

Ceiling  
I hear my breathing  
We pray to Jesus  
He doesn't see us

I fly to ceiling  
I fly to ceiling  
I hear you breathing  
I hear you breathing

I reach the ceiling  
Like a human being  
I can hear you breathing  
I can hear you breathing

I'm on the move  
See from above  
I know for sure it is something good  
I know for sure it is something good

I'm on the move  
See from above  
I know for sure it is something good  
I know for sure it is something good
