

# Hate This Pain

Tricky

What a fucking game  
What a fucking game  
I hate this fucking pain  
I hate this fucking pain

Was crying on the coast  
Baby girl she knew me most  
I hate this fucking pain  
I hate this fucking pain

At ten I'll take a flight  
Try by there I guess I might  
I miss my baby while I fly  
Lay my head hope I die

What a fucking game  
I hate this fucking pain  
What a fucking game  
I hate this fucking pain  
What a fucking game  
I hate this fucking pain

What a fucking game  
What a fucking game  
I hate this fucking pain  
I hate this fucking pain

Was crying on the coast  
Baby girl she knew me most  
I hate this fucking pain  
I hate this fucking pain

At ten I'll take a flight  
Try by there I guess I might  
I miss my baby while I fly  
Lay my head hope I die

What a fucking game  
I hate this fucking pain  
What a fucking game  
I hate this fucking pain  
What a fucking game  
I hate this fucking pain
