

## Intro

Tricky

Filled with warmth  
Know the weather  
Come around  
Feel my weather  
Slowly come  
Hold me slowly

So feel the rain, you see you coming soon  
Let you know the cold now you know me  
So feel the warmest on the weather  
Say you love me in a letter

So feel the rain you see you coming soon  
Let you know the cold now you know me  
So feel the warmest on the weather  
Say you love me in a letter
