

## Moving Through Water

Tricky

I deny him, I slowly walk over  
And you're brave, I drive my Land Rover  
I drive through, go to Nova Scotia  
What I do, it's a little bit slower

Now I'm swimming, I'm moving through water  
And I'm singing, I sing for my daughter  
And I grow, like a lamb to the slaughter  
And I walk through  
And I walk through

Now I'm swimming, I'm moving through water  
And I'm singing, I sing for my daughter  
And I grow, like a lamb to the slaughter  
And I walk through  
And I walk through
