

## My Mighty

Tricky

I'm painting rainbow  
I walk in rain slow  
I let my soul leave  
Until my brain freeze  
I walk in sunshine  
I'm lonely sometimes  
We meet the same place

I'm keeping out your way  
My mighty  
I'm keeping out your way  
My mighty  
I'm keeping out your way

I catch you falling down  
Then I watch you walk around  
I never wanted more  
I'll catch you when I'm falling down

I'm keeping out your way  
My mighty  
I'm keeping out your way  
My mighty  
I'm keeping out your way  
My mighty
