

Nowhere

Tricky

I'm on my way to nowhere
Don't know, know, know, know, know, know
I lose my way, I don't care
Don't know, know, know, know, know, know
I lose my mind on Thursday
It was my mother's birthday
Don't know, know, know, know, know, know

Nowhere
I'm on my way to nowhere
Nowhere
I'm on my way to nowhere
Nowhere
