

Pumpkin (Reincarnated)

Tricky

Oh so bright
Cross the night on body I know
Only a sinner sins
Only from where I've been
They're lonely for me

Grow slow
Rain, snow
I don't see her
I don't see her
Grow slow
Rain, snow
I don't see her
I don't see her

Lose my sight on body I know
Only a sinner sins
If only I know within
They're lonely for me

Grow slow
Rain, snow
I don't see her
I don't see her
Grow slow
Rain, snow
I don't see her
I don't see her
