

## Slow Dance

Tricky

(Walking close to order)  
Slow dance  
(Walking close to order)  
Slow dance

We're not the same  
And I'm not to blame  
The medicine fades  
Now I'm just a slave  
How much can you take?  
Go swim in the lake  
Go swim in the rain  
Go swim in your pain

(Walking close to order)  
Slow dance  
(Walking close to order)

(Walking close to order)

(Walking close to order)  
(Walking close to order)  
Slow dance

We're not the same  
And I'm not to blame  
The medicine fades  
Now I'm just a slave  
How much can you take?  
Go swim in the lake  
Go swim in the rain  
Go swim in your pain
