

## Swimming Away

Tricky

Another rythm but we're still leaving now  
I think I'm leaving, don't know what it is  
I try forgiving but I just don't know how  
I search for people, don't want to this

I guess I'm leaving and I'm feeling okay  
I think I'm leaving, don't know what it is  
I try to breathe (While you're swimming away)

Come around to me  
Feel another stick  
All around to him  
When I'm around [?]  
Come around to swim  
Come around to swim

Another rythm but we're still leaving now  
I think I'm leaving, don't know what it is  
I try forgiving but I just don't know how  
I search for people, don't want to this

I want that money I took time to come to  
Fall from the moon and the land on the mountain  
I want to dance in the middle of fountain  
I try to breathe (While you're swimming away)

Come around to me  
Feel another stick  
All around to him  
When I'm around [?]  
Come around to swim  
Come around to swim
