

# Talk To Me

Tricky

Someone talk to me now  
Energy won't move me  
Oceans, oceans won't soothe me  
Cry me a bayou  
Slime, sleaze, pass through

Love it when I'm leaving  
You love it when I'm leaving

Someone talk to me now  
Energy won't move me

Love it when I'm leaving  
You love it when I'm leaving

Angels with dirty faces  
Disappear with out traces  
Them bones

Angels with dirty faces  
Disappear with out traces

Love it when I'm leaving  
You, you love it when I'm leaving

Someone talk to you now

I love it when you're leaving  
I love it when you're leaving

Cry me a bayou

Someone talk to you now  
Energy won't move me  
Oceans, oceans won't soothe me

Love it when I'm leaving  
You love it when I'm leaving

Cry me a bayou  
Slime, sleaze, pass through

Angels with dirty faces  
Disappear with out traces

Cry me a bayou  
And I'm leaving
