

The Machine

Tricky

I am the one. The machine. And I'm simply-
I'm not your friend. High up. And I am simply-
I can't remember the time where it goes too
I can't remember the time where it goes too
I will pretend I'm your friend. You can follow

Six degrees, and I fall on my knees
Let me go. Won't we stay? Oh, I might leave
Let me breathe and I'll tell you what fear's like
Let me breathe and I'll tell you what fear's like

I am the one. The machine. And I'm simply-
I'm not your friend. High up. And I am simply-
I can't remember the time where it goes too
I can't remember the time where it goes too
I will pretend I'm your friend. You can follow

I am the one. The machine. And I'm simply-
