

## Thinking Of

Tricky

I think I've won  
I fall around  
There only one  
There only one

Is it real  
And it hurts to feel  
Goodnight my love  
Always thinking of

I think I've won  
I fall around  
There only one  
There only one

Is it real  
And it hurts to feel  
Goodnight my love  
Always thinking of
