

# Walking

Tricky

I was out walking  
Don't have a dog  
I [?] my friends  
And turns to a frog  
I was out walking  
Don't have a jall  
Still in bawl  
Can't find the job

Stand, ten toes  
Legs were froze  
Some in my eyes  
Love that don't dies

Stand, ten toes  
Legs were froze  
Some in my eyes  
Love that don't dies

All you do is talking  
You talk for fun  
You can't hold your tongue  
I guess we're done  
I was out walking  
Just for a dog  
Moving through the trees  
Now I'm next to God

Stand, ten toes  
Legs were froze  
Some in my eyes  
Love that don't dies

Stand, ten toes  
Legs were froze  
Some in my eyes  
Love that don't dies
