

## Back On Track

Triggerfinger

I got some space to fill  
I don't know if I ever will  
Can't get my heavy feet off the floor  
I can't drag my body to ...  
it doesn't seem lie i'll make it  
back on track

i got my head on the ...  
and nothing i say  
makes any sense cause whatever i pay  
it's way out of tune, it don't feel my way  
can't seem to get you to groove tonight  
i shake my head and i roll my eyes  
i seems i could use some good advice  
i doesn't seem like i'll make it  
back on track

Someday I try it again  
but right now i don't think i can  
i shake my head and i roll my eyes  
i seems i can use some good advice  
i doesn't seem like i'll make it  
back on track
