Lil' Teaser

Triggerfinger

Never do right, always do wrong,
never act like you belong.
Never happy, never sad,
always the baddest of the bad.

Never do right, never do good,
always be misunderstood.
Keeping your cool and keeping your style.
And giving it up a dirty smile.

I need to show you something baby,
I need to tell you something quick.
I gave you my car, my life and my money,
If you just show me every trick.
.....
Cause I can't stand it any longer.

I love you more
(love you more, love you more, love you more)
Love you more
(love you more, love you more, love you more)

Has it never ever, ever occured to you,
that there is a little chance there, maybe i love you true.
I love you more, ...

I love you more
(love you more, love you more, love you more)
Love you more
(love you more, love you more, love you more)
Love you more
(love you more, love you more, love you more)
Love you more
(love you more, love you more, love you more)
