

## Splendor In The Grass

Triggerfinger

You don't give in  
You carry on  
You let it spin  
You're not depending on

Free as a bird  
Free as a bird

Nothing to write home about tonight  
The snakes are asleep this time of year  
No wrong left to put right  
No space, no last frontier

Free as a bird  
Free as a bird

Let love wait  
No need for safety glass  
Spread your wings  
Splendor in the grass

Free as a bird  
Free as a bird

Free as a bird  
Free as a bird

Free as a bird
