

## Now and forever

Triinu Kivilaan

I remember when we were young and free  
Nothing could stop us we lived our life  
Our love was growing from day to day  
Now I can't believe it passed away

REFREN:

For now and forever you'll be in my heart  
For now and forever just you  
I'll never forget all the things that we share  
In moments we live in love

Now I'm standing here all alone  
Don't know what happened  
Our love was strong  
I can't understand why you gone  
Please tell me why on my own  
All these memories fill my mind  
Now and till the end of time - forever
