

Good Morning Heartache

Trijntje Oosterhuis

Good morning heartache
You old gloomy sight
Good morning heartache
Thought we said goodbye last night
I turned and tossed until it seemed you had gone
But here you are with the dawn

Wish I forget you, but you are here to stay
It seems I had met you
When my love went away
Now everyday I'm starting, by saying to you
Good morning heartache what's new

Stop haunting me now
Can't shake you no how
Just leave me alone
I've got those Monday blues
Straight to Sunday blues

Good morning heartache
Yeah, here we go again
Good morning heartache
You are the one
Who knows me when
Might as well get used to you hanging around
Good morning heartache
Sit down

Stop haunting me now
Can't use you no how
Just leave me alone
I've got those Monday blues
Straight through Sunday blues

Good morning heartache
Yeah, here we go again
Good morning heartache
You are the one
Who knew me well
Might as well get used to you hanging around
Good morning heartache
Sit down
