

# Lady In My Life

**Trijntje Oosterhuis**

There'll be no darkness tonight  
Lady our love will shine (lighting the night)  
Just put your trust in my heart  
And meet me in paradise (now is the time)  
Girl, your every wonder in this world to me  
A treasure time won't steal away

So listen to my heart  
Lay your body close to mine  
Let me fill you with my dreams  
I can make it feel alright  
And baby through the years  
Gonna love you more each day  
So I promise you tonight that  
You will always be the lady in my life

Lay back in my tenderness  
Let's make this a night we won't forget  
Girl, I need you sweet caress  
Reach out to a fantasy  
Two hearts on a beat of ecstasy  
Come to me, Girl

And I will keep you warm  
Through the shadows of the night  
Let me touch you with my love  
I can make it feel so right  
And baby through the years  
Even when we're old and gray

I will love you more each day  
Cause you will always be the lady in my life

Stay with me, I want you to stay with me  
I need you by my side  
Don't you go nowhere  
(Ooh girl let me keep you warm)  
I wanna keep you warm  
(You are the lady)  
In my life  
(Fill you with the sweetest joy)  
Ooh, the sweetest joy  
(Always the lady)  
I wanna touch you baby  
(Ooh girl let me keep you warm)  
(You are the lady)  
Do do do do do do  
(Fill you with the sweetest joy)  
(Always the lady)  
You're my lady and I love your girl  
(Ooh girl let me keep you warm)  
I love you, I love you  
I need you, want you girl  
(You are the lady)  
Stay with me  
(Fill you with the sweetest joy)  
Don't you go nowhere  
(Always the lady in my life)  
And I love you baby  
Wooo, Ooh Baby  
Don't go nowhere

You're my lady

All through the night

(Ooh girl let me keep you warm)

I wanna keep you warm

(You are the lady)

You're my lady

(Fill you with the sweetest joy)

All over, all over, all over

(Lay back in my tenderness)

Lay back with me

(You are the lady)

Let me touch you girl

(Rock me with your sweet caress)

Lay back with me

(Always the lady)
