

# One Day In Your Life

**Trijntje Oosterhuis**

One day in your life

You'll remember a place

Someone touching your face

You'll come back and you'll look around, you'll . . .

One day in your life

You'll remember the love you found here

You'll remember me somehow

Though you don't need me now

I will stay in your heart

And when things fall apart

You'll remember one day . . .

One day in your life

When you find that you're always waiting

For a love we used to share

Just call my name, and I'll be there

You'll remember me somehow

Though you don't need me now

I will stay in your heart

And when things fall apart

You'll remember one day . . .

One day in your life

When you find that you're always lonely

For a love we used to share

Just call my name, and I'll be there
