

Rock With You

Trijntje Oosterhuis

Girl, close your eyes
Let that rhythm get into you
Don't try to fight it
There ain't nothin' that you can do
Relax your mind
Lay back and groove with mine
You got to feel that heat
And we can ride the boogie
Share the beat of love

I wanna rock with you (all night)
Dance you into day (sunlight)
I wanna rock with you (all night)
We're gonna rock the night away

Out on the floor
There ain't nobody there but us
Girl, when you dance
There's a magic that must be love
Just take it slow
'Cause we got so far to go
When you feel that heat
And we're gonna ride the boogie
Share the beat of love

I wanna rock with you (all night)
Dance you into day (sunlight)
I wanna rock with you (all night)
We're gonna rock the night away

And when the groove is dead and gone (yeah)

You know that love survives

So we can rock the night away

I wanna rock with you

I wanna groove with you

I wanna rock with you

I wanna groove with you

I wanna rock (all night) with you girl (yeah - all
night)

Rock you into day (sunlight)

I wanna rock with you (all night)

Rock the night away

Feel the heat feel the heat

Rock you into day (sunlight)

I wanna rock - rock the night away
