

Only One

Trik Turner

Nobody could believe it
When they saw you with me
Cause I wasn't exactly the man
That they visioned you with
They thought I wasn't good enough for you
But even though everyone acted so fake
Telling me you're making a big mistake
You wouldn't let nothing persuade you to think
otherwise

You're the only one who believed in me
When everyone wanted to put me down
And you're the only one
Who believed in me
Whatever it takes I won't let you down

Why can't they accept me for who I am
I'm so sick and tired of people telling me
How I should live my life
All that we wanted was this bitterness to end
But we knew it wouldn't be long
'Til they tried to tear us apart again

And you're the only one who believed in me
When everyone wanted to put me down
And you're the only one
Who believed in me
Whatever it takes I won't let you down

They love to kick me down
And try to shut me out
And cloud your mind
You're the only one who won't compromise
They love to kick me down
And try to shut me out
And cloud your mind
Whatever they try you won't compromise
you're the only one who believed

It ain't fair for you to be stuck in between
What they feel is right for you and what you love

You're the only one who believed in me
When everyone wanted to put me down
And you're the only one
Who believed in me
Whatever it takes I won't let you down
