

## Temporary Fix

Trik Turner

There you go again saying the same things  
I don't know why I put up with it this long  
Maybe it was your body, your lips, your curves, the sex  
The way you talk to me you make it sound so real  
But I know I'm just a temporary fix  
I pay your bills, buy you clothes, take you out  
But whatever I do it's never enough  
I'm onto your ways

You're not worth losing everything  
You're not worth losing everything

Reject me, Love me, Use me  
I'm only your convenience  
You want me, you hate me  
Help me find the strength to walk away

You control my emotions on and off like a switch  
One minute you want me-the next you're a bitch  
Manipulating, self-centered, so pretentious  
I gave you my time all my love and in return  
All you gave me were head trips-Now I know  
What I mean to you  
What my love meant to you

You're not worth losing everything  
You're not worth losing everything

Reject me, Love me, Use me  
I'm only your convenience  
You want me, you hate me  
Help me find the strength to walk away

I don't want to feel this emptiness  
I don't believe a word you say  
You know the right way to touch me  
You keep sucking me  
You keep sucking me  
You keep sucking the life from me

Reject me, Love me, Use me  
I'm only your convenience  
You want me, you hate me  
Help me find the strength to walk away
