

Pull Up

Trinidad Cardona

(It's trap season, bruh)

Pull up any day
15 on the way
14 hunnit [?]
Things haven't been the same
I keep company
She keep company
They just ain't the same
Pull any day

Time goes by
And I'm runnin' my race on time
I can see you all night
If I say I'm fine I lied
We gave up
But I've heard that people change
More than one
But they fuck me up the same

Pull up any day
15 on the way
14 hunnit [?]
Things haven't been the same
I keep company
She keep company
They just ain't the same
Pull any day

Pull up any day
15 on the way
14 hunnit [?]
Things haven't been the same
I keep company
She keep company
They just ain't the same
Pull any day

I should've known
How to give you more
It's been wearin' on my soul
And I just can't let it go
I can't go
I can say no more
Am I meant to [?]
But I just can't let it go, no no

Ooh, ooh, ah, ah
Eh, eh, ah, ooh-oooh
Ooh, ooh, eh
I let you go
But I wish you could've stayed
