

Wouldn't Know

Trinidad Cardona

And I know and I know
By the way you move
I got a [?]
'Cause the way that you move
Is a different vibe
You got me hypnotized
I can tell by the way
That you're vibin'
Girl I just might stay awhile

You wouldn't know
How much I love you
How much I need you so
You couldn't know
How much I fell
On the first day I met you there

Words on fire
Watch me take it
Elevation
Make it brighter
Your desires
I can make it
I can take my time

I can take you slow
Touch you soft and kiss you low
I can make you feel
Every muscle till you weak
It could be another day
But we're just practicin'
Baby can't you see it's happenin'

Oh no, midnight
Ain't no tears get you [?]
Let me get in
Dip and dive, hold on
Hold on, hold on, hold on

Words on fire
Watch me take it
Elevation
Make it brighter
Your desires
I can make it
I can take my time

Words on fire
Watch me take it
Elevation
Make it brighter
Your desires
I can make it
I can take my time
