I wanna give her the daddy dick
I wanna make her feel special
One hand, I give her I give her the daddy dick
Two hands, I'm giving her extra
One hand, I mean it, I'm textin'
One hand, I mean it, I'm textin'
Two hands, that mean that I'm ready
No hands, that mean that I'm flexin'
You bend her over, get a heart attack
I bend her over, and handle that
I put the hoe in the ambulance
Hit that pussy, do the hammer dance
Somebody get me a cameraman
Somebody get me a UBER!
All these hoes gotta go
I got some more I'm recruiting

Hit the hoe with that dick
We smokin', fuck, that was it
I didn't even spend the night
Been cooking fish 'n grits
I made her buy me a fit
I made her buy me some kicks

She trippin', she jump through a fit
I hit her with the Daddy Dick
That lil' hoe thank she so special
That lil' hoe actin' so extra
I'm in this bitch spending extras
My pockets on Nutty Professor
I'm pimpin these hoes like Hugh Hefner
I did a 1 8 in the Tesla
You loving these hoes, you a failure
I call your homeboy and I tell him I put...
