

Never

Trinidad James

Yeah nigga, aham
I just been praying and hoping I got never money studio

That's what is about man
Taking care of family
Taking care of people that matter
You know what I'm saying

People go home

Till the day they put me in the earth nigga
Yeah

Atlanta, across the water

Ever, ever, ever, ever nigga

Never, ever, never, ever, never, ever, never ever

If I die today
If I die today
If I die today
If I die today

I never let you niggas stop
I never let these niggas stop

I never let these bitches on me now

Yeah we really be like that, I know
You really be like that, I know

I said you really be like that

Niggas dying in the projects itching every day
Living in the projects you gotta stay down
Just to get it up
Gotta get it up
They ain't showing love
We gon take it from'em
Who gon hold me now
You gon hold me down?
They gon hold you down
They gon hold you back
And that's facts
Nigga get the money, get the fame and get focus
Don't forget where you came from straight like that
Family on the lie cakeplay like that
Take another nigga life you can't pay that back
Niggas ain't gettin suckin chances
Get your life in prison
So while I'm in livin
I'm a make a difference

If I die today
If I die today
If I die today

If I die today

You better come

Ayo I just touched down

Feel praised to let loose

Time to relax take a sip to that gray goose

The longer

Pocket full of green gold chains and champoos

Think about the time I did not stay in cup

Should be on grand to the ninety

Couple weeks later see they hoes should tape up

Remember the times
