

Tooralooraloo - Is It Old & Is It New

Trio

Long ago and far away
Do I miss you I can't say
Far away and long ago
Do I miss you I don't know
Uuh I loved it there and then
But would it be like there again
Tooralooraloo
Is it old & is it new

Tooralooraloo
Tooralooraloo
Tooralooraloo
Is it old & is it new

Long ago and far away
Do I miss you I can't say
I remember your green eyes
And I won't forget you smile
Still I don't know what to do
Maybe dreaming dreams of you
Tooralooraloo
Is it old and is it new
