# freeze

**Triple One**

Inside of me
This side to me
Sweat, sweat, sweat
Tender in the morning
Dead in my bed
Yeah yeah yeah, aye
Yeah

And I freeze inside of me
And I'm free inside of you
And I keep this side to me
And I'm free inside of you

Yeah I breathe in, yeah I breathe out
Look at me, don't freak out
Girls on fire while we stuck in a winter
It's cold outside but it's warm in a strip club
Breathe in, but I sink down
Don't call me, yeah I call out
And I try so hard to forget but I need this pain
Look at me I'm a rockstar
And I know you'd rather bury me
Cause it feels so awful
Think it's got me drifting like initial D

Cause yeah I freeze inside of me
And I'm free inside of you
And I keep this side to me
And I'm free inside of you

Tell me what you wish inside your head
Tell me what you wish inside your head
Tell me what you wish inside your head
Inside your head, inside your head
Tell me what you wish inside your head
Tell me what you wish inside your head
Tell me what you wish inside your head
Inside your head

Cause yeah I freeze inside of me
And I'm free inside of you
And I keep that side to me
And I'm free inside of you

Cause yeah I
Tell me what you wish cause yeah I

Cause yeah I
Tell me what you wish cause yeah I
