La-la-la, la-la-la-la, la-la-la, la-la

The distant flickering light
I can't seem to hold it
Sometimes hope, sometimes despair
I'm lost somewhere in between, yeah

You feel
Do it, the world is shining brighter
But why am I running out of breath
The harder I run, the further my dreams drift away

La-la-la, la-la-la-la, la-la-la, la-la (Awaken my senses)
La-la-la, la-lia-la-la, la-la-la, la-la
The truth is, wanna be happier more than you could ever know
La-la-la, la-la-la-la, la-la-la, la-la

Ah, you feel it too, huh
I see myself in you, uh
Going through thick and thin
But you don't act up a bit
Let's just run away
So no one can find us
Into the thicket of dreams
Hiding my small self

You feel
Do it, reaching for the sparkling world beyond the screen
But why am I running out of breath
The harder I run, the deeper my dreams slip away (Yeah)

La-la-la, la-la-la-la, la-la-la, la-la (Awaken my senses)
La-la-la, la-la-la-la, la-la-la, la-la
The truth is, I'm happy and beautiful more than anyone else
La-la-la, la-la-la-la, la-la-la, la-la

La-la-la, la-la-la-la, la-la-la, la-la (We gonna run away)

Ooh, ah, don't you cry it's all a nightmare
My world's the sunlight of my dreams, oh
You finally realize all the happiness was on the ground all along
We shine together right here right now we so alive

La-la-la, la-la-la-la, la-la-la, la-la (Awaken my senses)
La-la-la, la-la-la-la, la-la-la, la-la
The truth is, I wanna be happier more than you could ever know

La-la-la, la-la-la-la, la-la-la, la-la (Ha, yeah, yeah, yeah)

Running toward a bigger dream, reaching higher and higher (Ooh, woah)

Falling into a bigger despair, sinking deeper and deeper

When I wake up tomorrow I hope it's still a dream (I wanna be happier more than you could ever know)

La-la-la, la-la-la-la, la-la-la, la-la

Till I'm awake
