Truth's got a feelin'

But I'm not sure what it's like

Oh yeah

Lies are even healing

I'm high up in the sky

And falling in, falling in love

In my mouth, I got an ice cream

As it melts deep into my heart

Endlessly I'm falling in a daydream

The maze of illusions

Me-in-you that's a mirror

Ooh yeah

We're here in this together

The way it's disordered

The décadence is where it's at I jump inside, generation

Right now we are together

With all the weird sensations

Even if we break apart in

This dream, we are a generation

Wah-woo, wah-woo, ah, ah, ah

Feelin' high 'cause you're my type

From attention, your eyes, and to your heart

Wah-woo, wah-woo, ah, ah, ah

Must be a dream this sweetness

We're a generation
