La-la-la-la, la-la
La-la-la-la, la-la
La-la-la-la, la-la
La-la-la

I know how you're feeling
You're smiling at me
Just applauding in front of me but it's just hypocrisy
I see you lying me
Jealous and worries, I'ma stop it now
This world given route, I don't mind
It's time to trust myself in the rythm of dance

Woo, rising
Keep my head gonna fight it
A flower blooming in the wind
Shows just what I'm feeling
Woo, rising
Like a pearl in the essence, I'ma like it
For my shining self, I'm gonna try
The world's one and only, baby

Just nothing like a dream, it's a déjà vu
The stronger the hardship, I make it true
Just me that I dreamt of, it's a déjà vu
Gain after pain, the way I make it move
The stronger the rain
The stronger I become
Believe me, just let me
I can make it raise it, recover it now

Ayy, no, you saw me walking confidently
Already caught up with my dreams
One day, I'ma make it, today's gonna be different
Gonna believe in just myself
Ain't interested about you
Ain't my business
Like a friend, you acting and reacting
But I see you lying, me

Just nothing like a dream, it's a déjà vu
The stronger the hardship, I make it true
Just me that I dreamt of, it's a déjà vu
Gain after pain, the way I make it move
The stronger the rain
The stronger I become
Believe me, just let me
And I never let dream go
Just nothing like a dream, it's a déjà vu (Oh)
The stronger the hardship, I make it true (Ooh)
Just me that I dreamt of, it's a déjà vu (Ooh-ooh)
Gain after pain, the way I make it move
