

The search is done  
You fought and you have won  
You've just sold hard and now you've got the price  
It's your day  
You've cought the great buquet  
Now here I am before your very eyes  
I'm handy 'round the house  
I'll tear, then repair your blouse

My youth is past  
My experience is vast  
I'm sensitive but solid as a rock  
I always replace lids  
I'm incredible with kids  
I know just how to clean and oil a walk  
I'll love you all night long  
And in the morning I'll change the linen

The women at the park  
They circle me like sharks  
They can tell a real man from a mile  
(that's right)

Anyone can see  
The way they look at me  
As I pack the car  
An buckle in my child  
(that's right)

They all want a piece of it  
Cause i've proved i can commit  
But you can't relax  
Securing your tracky dacks

That's right honey, you go on ahead and let yourself slide

You snaked yourself a dilf
