

## Lingering Dad

Tripod

Lingering dad!  
Half in the doorway  
Lingering dad!  
Awkward and indecisive

Lingering dad!  
You're just standing there  
And I'm doing my homework  
You're freaking me out!  
Lingering dad!  
D'you have something to say?  
Either come in or go away!

Lingering dad!  
Just do something!  
Lingering dad!  
Clean up the garage, I don't care!

Lingering dad!  
You always just hover  
I think it's mum's fault  
She's so decisive  
Lingering dad!  
You're an example of everything sad about men's role in society  
!

Lingering dad!  
Oh-hoh! You don't know what your role is  
Lingering dad!  
PISS OFF!  
Lingering dad, you're freaking me out, you're freaking me out  
Lingering dad, you're freaking me out, you're freaking me out,  
lingering dad  
Look, I know you mean well, lingering dad  
You're just trying to be a good dad  
But you don't know where to start  
And I wish I could help you  
But I'm just like you!  
You know, we don't have a blueprint!  
We're completely at sea!  
Oh! Let's just go and watch M\*A\*S\*H!
