

All for Me

Trippie Redd

Ayo Bans, what you cookin'?

Yeah, I see you been on my mind today
I'm thinkin' about rubbin' down on your spine today
Yeah, I love you, bitch, you into finer things
I'm sittin' back, Cartier, bitch, I'm in designer frames
And they now tryna to play me, and they now acting shady
'Cause you're my fucking baby, yeah
It's like we on a plane, see
We up, up, and away-ee, yeah-ah, yeah-ah

Tell me, would you ride for me?
Love in murder bae, would you die for me? (Die for me)
Run out the window in back, slide for me (Me)
Baby, your love is just all for me
All for me, all for me
Baby, your love is just all for me
All for me, all for me
Baby, your love is just all for me

Shawty, go get that money and bring it back to me
And you been on my mind, girl, you're like a drug to me (You like a drug to me)
I relapse every time, I might fucking IOD
Feels like you do it on purpose, won't see the kid deceased (Won't see)
And she tired of lames, I put her on some game 9\ (Game)
Don't want roses, she want sexes out the shower today (Oh, oh)
Oh, I swear we something like a Bentley couple
Drop-top Mulsanne, look how the leather touch you (Oh, oh, oh)

Tell me, would you ride for me? (Oh, oh, oh)
Love in murder bae, would you die for me? (Die for me)
Run out the window in back, slide for me
Baby, your love is just all for me
All for me, all for me
Baby, your love is just all for me
All for me, all for me
Baby, your love is just all for me

Uh, 'cause I-I, I like to talk about love, and it's always on my mind
U'm, I'm always, oh, I've really stopped looking for someone
'Cause, currently, where my mind is, it's just like
I don't wanna say I've giving up but I've seen every make me promises
And make me promises on promises and never really fulfill, like
I was always looking for a caretaker
Looking for someone that would protect me, take initiative for me
And just be the greatest person they could for me
And, and that may be selfish, I don't know
But, it, that's just me being honest
And every time I've let myself be lead on by someone
They either deceive me or just treat me really, really really bad
And I'm, I'm a very genuine person, and I'm far too emotional
And I care too much
And I've, I've definitely cared too much in situations and been fucked over,
been fucked over, been fucked over...
