

Have you ever had a dreams that you, um, you had  
Your, you... you could, you'll do, you... you wants  
You, you could do so, you... you'll do, you could... you, you want  
You want them to do you so much you could do anything?

(Yeezo Beats)

I keep trippin' away, I can't be home  
I keep driftin' away, I'm close to shore  
I keep you on my brain, yeah, hard to ignore  
I spent most of my days, yeah, waiting for

You  
Waiting for you  
What were you waiting for? Waiting for  
What were you waiting for? Waiting for  
You  
Waiting for you  
What were you waiting for?  
What were you wait-waiting for? (Waiting for)  
What were you wait-waiting for?

I can touch your soul and tell you what you wanna hear  
I'll warm you when you're cold, I keep you safe, nothing to fear  
Already know I know I felt the pain, I shedded tears  
Let me go blindfold, and I can still see that you're here (Yeah)  
Phantom, drop the top, I'll fix the mirror  
I got hella racks, no racketeer  
I just made like ten million this year  
This year, yeah

I keep trippin' away, I can't be home  
I keep driftin' away, I'm close to shore  
I keep you on my brain, yeah, hard to ignore  
I spent most of my days, yeah, waiting for

You  
Waiting for you  
What were you waiting for? Waiting for  
What were you waiting for? Waiting for  
You  
Waiting for you  
What were you waiting for?  
What were you wait-waiting for? (Waiting for)  
What were you wait-waiting for?

I can touch your soul and tell you what you wanna hear  
I'll warm you when you're cold, I keep you safe, nothing to fear  
Already know, I know, I felt the pain, I shedded tears  
And I can go blindfold, and I can still see that you're here  
Yeah!
