

GERONIMO

Trippie Redd

Latch onto me
Because time is running out
You are now aware
You are now awake

Tell me the things that you wanna do
Show me the places you wanna go
I'm more than the voices in your radio
Take a look at the sky, baby Geronimo (Ah, oh)

I'll kill for you, I'll care for you
I'll kill for you, I'll care for you
Oh yeah, here I come, oh, baby Geronimo
Here I come, baby Geronimo

Tell me the things that you wanna do
Show me the places you wanna go
Oh, I'll take you there (Take you there)
You have my heart baby, so play fair
You've been crazy lately baby, I like it
You're one of a kind, yeah (oh)
You're too beautiful to even be mine, yeah
One of a kind (Hey), baby Geronimo

I'll kill for you, I came to you
I'll kill for you, I came for you
Oh yeah, here I come around, (Oh) baby Geronimo
Here I come, baby Geronimo
I'll care for you, I'll carry you, I'm here for you, I'll kill
for you
Here I come, baby, you don't care (We don't care), we don't care
for you

I'm alone on the sky [?]
Basin, nothing gray [?]
I want you out of mind, mind, mind [?]

I'll kill for you, I came for you
I'll kill for you, I came for you
Oh yeah, here I come around, (Oh) baby Geronimo
Here I come, baby Geronimo
And I'll care, yeah I'll care, I'll care, I'll care for you
Oh yeah, here I come around, (oh) baby Geronimo
Here I come, baby Geronimo
