

# In Too Deep

Trippie Redd

I wuv' Trippie Redd  
Trippie

14 Yea!

I see the future and my plans  
I'm gone be good, it's in God's hands  
I won't look back, there is no chance

Said I'm in too deep, I'm in too deep  
Quicksand, baby, said I'm in too deep  
Said it's up to my knees, baby, in too deep  
Said I'm in too deep, I'm in too deep

In too deep like a bottomless hole  
Change my number just like summer clothes  
If you slime, then wipe your fucking nose  
Keep a Glock, I never trust a hoe  
Two-faced-ed, they're two-faced-ed hoes  
Ain't got time for no two-faced-ed hoes  
I just sit back countin' blue faces, blue faces, oh  
Countin' blue faces oh

I see the future and my plans  
I'm gone be good, it's in God's hands  
I won't look back there is no chance

Said I'm in too deep, I'm in too deep  
Quicksand, baby, said I'm in too deep  
Said it's up to my knees, baby, in too deep  
Said I'm in too deep, I'm in too deep  
Said I'm in too deep, I'm in too deep

Pulling up with gang  
I've been shining in my chain  
I do not fuck with no lames  
They say Trippie Redd insane  
Blow your fucking brain  
Chopper, heater, away that nigga's face  
From that fucking mud (From the mud bitch, yeah)  
What you know bout that fucking mud  
Don't get too deep in that fucking mud  
All my shooters they will fuck you up  
For a dollar they gone fuck you up  
For a dollar they gone fuck you up

Them niggas in too deep, they in too deep  
Said I'm in too deep, I'm in too deep  
(Said I'm in too deep)  
Quicksand baby, I'm in too deep  
Said it's up to my knees, baby in too deep
