

IT'S COMING

Trippie Redd

Uh

Oh, run away (Oh)

Run away (Oh)

Oh, run away

I seen it coming

I seen it, I know I seen it coming

I know it, I know it

Seen it coming

I seen it happen this way before

I know, I know

I've seen it coming this way

Run, run away

Run away

I know it

Run, run, run, run

Oh, run away

Oh, run away

Oh, run away

One day, you'll face your fears (Face your fears)

You won't run away from here (Run away, run away)

Run (Run, I've seen it)

Run

Run away

Run

Runaway

Run, run, run

Oh, run away

Oh, run away

Oh, run away
