

# Krzy Train

Trippie Redd

Bosley

Brand new coupe  
And the inside new, and the inside blue  
And you know I'm Big Redd, but I count that blue  
Might lose my cool, don't try to shoot  
I know I'm the one, but I pour me a deuce  
What will I become, if I ain't got you?  
Can't say you done, I ain't through with you  
Married to the game, yeah, I do

Yeah, I do, yeah, I do  
Bae, I do, yeah, I do  
Bae, I love you, yeah, I do  
Bae, I do, yeah, I do  
Bae, I love you, yeah, I do  
Bae, I do, yeah, I do  
Bae, I love you, yeah, I love you  
Bae, I do, yeah, I do

I can't lose my focus 'cause I'm married to the game (Wow, wow)  
If you acting out your conscience then I'll blow your fucking brain  
Are you ready? All aboard the fucking crazy train (Wow, wow)  
Can't save me, walk up in this bitch and make it rain

(Who?)  
Rock star or rap star, turn this to an avatar  
Hundreds turn you avatar (Straight up)  
Know a crazy Leo that's gon' flip you in a leotard (Yeah)  
Put her on a train around the ghetto just to see what's up (It's lit)  
Take a lil' sip up out my cup, and now I'm seein' stars  
I just took a bar, and it don't feel like I went to a bar  
That's how I wake up in the day, I really find it dark  
Me and all the bros we all want, when we be goin' hard (Sick, sick)  
What we goin'? Up (Let's go)  
You said, "Farewell"  
Make you feel crazy when you by yourself  
Now when I take it, it ain't got no—

Yeah, I do, yeah, I do  
Bae, I do, yeah, I do  
Bae, I love you, yeah, I do  
Bae, I do, yeah, I do  
Bae, I love you, yeah, I do  
Bae, I do, yeah, I do  
Bae, I love you, yeah, I love you

Double R outside, Bentley coupe, frog eyes  
Take that bitch to Five Guys (Wow, wow)  
Cuban link turn you blind, please don't peek, close your eyes  
Put your homie in the sky, turn his shirt to tie-dye (Wow, wow)

Niggas always talkin tough, that's why they gon' all die  
She say I'm a monster, something like I'm Sci-Fi  
Said she need a sponsor, connect in her like Wi-Fi  
Pussy so good, I woke up and gave her a high-five (Wow, wow)

Yeah, I do, yeah, I do  
Bae, I do, yeah, I do  
Bae, I love you, yeah, I do  
Bae, I do, yeah, I do  
Bae, I love you, yeah, I do  
Bae, I do, yeah, I do
