

Pegasus

Trippie Redd

Yeah

She say that she gon' ride, call her Pegasus
Bitch, I'm with the guys, I feel omega, bitch
Tryna fuck her from the side, dig in her crevasses, yeah
She know that her love, her power's my medicine
Impeccable how I flex on them so effortless
Like vegetables, I'm counting broccoli, my cheddar, bitch
Versace clothes and I'm still rocking my Giuseppes, bitch
I bless them hoes, but I ain't namedropping a messy bitch

Laid back in the Maybach, lick my testes, bitch
Laid back in the Maybach, disrespecting shit
I got sauce, hella sauce, man, that's that zesty shit, yeah
And you quicksand, this ain't no Deon, niggas peons
I got them racks with me, infinity and beyond
Niggas ain't really with that murder shit we be on
I just unload the fuckin' K and get my freak on
Hardest nigga standing in the game, try my feet on
Niggas always want your spot, get your compete on
Shoutout Casanova, 'cause I got my diamond teeth on
And all that bullshit is for the birds, I see your beak on
Pussy-ass nigga sending shots like a beacon
Baby, I'm the one, not the two, Abe Lincoln
Doing donuts, swerving with the pistol out the Lincoln
All face shots, have a pussy face leakin'

She say that she gon' ride, call her Pegasus
Bitch, I'm with the guys, I feel omega, bitch
Tryna fuck her from the side, dig in her crevasses, yeah
She know that her love, her power's my medicine
Impeccable how I flex on them so effortless
Like vegetables, I'm counting broccoli, my cheddar, bitch
Versace clothes and I'm still rocking my Giuseppes, bitch
I bless them hoes, but I ain't namedropping a messy bitch
