She don't want love, she just wanna cum  
She just wanna fuck, bust her like a gun  
Put a frown on her face every time that I'm done  
Put my dick in her mouth, she put her hair in a bun  
Patek don't tell time, solar flair from the sun  
Put my mind out in space, put my faith in a gun  
If I had a dollar, me and twin both got hunnid buns

You a plain nigga, mama mad you her son  
You can't dress with this nigga, man, your swag should be shun  
My shooters workin', workin', workin', man, yo' ass'll be done  
Shawty twerkin', twerkin', twerkin' on that dick just for fun

Devil in my cup, Devil in my cup
