

## Shake It Up

Trippie Redd

Columbine, roll a five  
Baby shake that ass, shake that pumpkin pie  
Twin sisters side by side, shake it side by side  
Twin sisters side by side, shake it side by side  
Columbine, roll a five  
Baby shake that ass, shake that pumpkin pie  
Twin sisters side by side, shake it side by side  
Twin sisters side by side, shake it side by side  
Twin sisters side by side

Oh, baby what you mean  
Go and shake that ass hoe for big 14  
If you want some cash hoe, big ass cheese  
Go and shake your ass hoe, like the twerk team  
Yeah, she gon' shake it like a red nose  
Yeah, to the wall to the window  
Put that ass in reverse just like Uno  
Told her I'm a big dog just like Cujo  
Sing to that bitch like I'm Bruno  
Whereabouts is your bitch, I'm like who knows  
Drop that ass baby, not too low, ey  
Shake that ass bitch just like ooh-woah

Columbine, roll a five  
Baby shake that ass, shake that pumpkin pie  
Twin sisters side by side, shake it side by side  
Twin sisters side by side, shake it side by side  
Columbine, roll a five  
Baby shake that ass, shake that pumpkin pie  
Twin sisters side by side, shake it side by side  
Twin sisters side by side, shake it side by side
