I like to make something out of nothing (Yeah)
Had to keep repercussions (Yeah)
Talk down on me, bitch I'm bustin' (Yeah)
Right up on your bitch's face (Uh)
Hope you disintegrate (Yeah)
Got this water just like a lake (Yeah, yeah)
Take a fucking break, just get the fuck away
I'm a blood, yeah, I'm a blind
I can't see this shit like a legally blind (Legally blind)
I don't got no time for this shit
I'm on a whole different wave (No time)
Hope you disintegrate, yeah
Dumb as water, a lake, yeah
Diamonds don't dissipate, yeah
Said, please participate, yeah
