

Snail Shells

Trippie Redd

Got a K in the back right now (Right now, woo, brrt)
Got a K and a MAC right now (Ha, bah)
Don't fold with the pole right now (Brrt, woo-hoo)
Can't fuck lil' ho, walk down (Yeah, walk down)
Live in the code, boy, we in hell (Hell)
Been knew your ho, I made her yell (Yell)
She shook slower than a snail (Snail, yeah, woo, yeah)

(Uh, uh, uh, uh)
All the stocks on these Ks come pronto
She know five Xans, for real, she a popper
I can get you touched up for these dollars
I'd drop-top the window and off 'em
He ain't gon' do it, I know him, he just talkin'
I grew up with that dude, ain't no problem
They know I pay the most for us
And my car go 200, I was just walkin'
I'm a pop star, I get her pussy poppin'
I paid a stack for this tee, Casablanca (Phew)
I was taught one thing
If a nigga play, walk down and solve your problem (Bah, ah, ah,
phew, ah)
How they did him? Awful
Nigga ain't gon' catch me slippin', I got her feelin' my boxers
